

Remarks/Arguments

In the Office Action mailed December 14, 2004, the Examiner indicated that claims 1, 3-5, 7-12 and 14-18 were allowable over the art of record. The examiner also indicated that claim 13 was objected and requested that the formula be put on a single page in order to avoid printing issues.

In response to the office Action, applicants have put the formula of claim 13 on a single page, which is believed to alleviate any/all issues that may arise in the printing of this case. Claim 13 was not amended in any way. Favorable reconsideration and withdrawal of the objection to claim 13 is respectfully requested.

In view of the remarks herein, all of the pending claims are believed to be in condition for allowance, which action is respectfully solicited.

Respectfully submitted,
